

# ADDICTION AWARENESS COMMITTEE

## POSTER CONTEST

### HARM REDUCTION:

An approach that seeks to reduce the health and social harms associated with substance use and other activities like gambling, gaming and technology use, without necessarily requiring people to stop or abstain.

We are looking for posters illustrating your creative perspective on harm reduction and addiction. Submissions from all ages welcome.

All posters will be displayed and voted on at this year's Addiction Awareness Week Conference.

1st place = \$100 Visa gift card

2nd place = \$50 Visa gift card

3rd place = \$25 Visa gift card
