PEER SUPPORT SERVICES

You may or may not already be familiar with some of the Peer Support Services at CMHA. Please see below the groups currently facilitated virtually from a place of lived experience and inclusivity. If you are interested in attending any of the following groups, please send a direct email to peersupport@cmhastartalking.ca to request the Zoom link,

With the belief that human connection can serve as one of the most powerful tools in recovery and healing, this support service embodies a mutual understanding of expectations, self-empowerment, self-awareness and accountability. Grounded in self-determination, hope for the future, and a holistic approach to wellness, Peer Support is free from judgement, as together we will navigate your individual journey of healing. Peer support is not about focusing on the illness or disability but instead works with your ability to make conscious choices about how you choose to better your whole health and mental wellness.

Peer Support Services at CMHA can also be offered individually outside of a group setting. If you or someone you know is struggling with mental health recovery and or addiction challenges, please connect with us directly at peersupport@cmhastartalking.ca or call **705-790-5792** for more information.
